

Morning in the Meadow  
A Triangular Mesh Shawl by Ann Catelli

Materials:

3 skeins Red Heart Super Saver Prints (or 750 yards/675 meters other worsted weight yarn)  
6.00mm/J hook

Beginning edge increase: Chain four; work a double crochet into the last double crochet of the previous row.

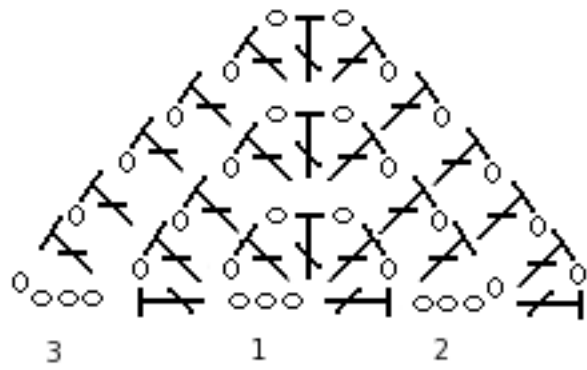

Ending edge increase: dc, ch 1, dc in third chain of turning chain from previous row.

Corner increase: dc, ch 1, dc, ch 1, dc, in marked center stitch.

1. Chain four (counts as a double crochet and a chain) from an adjustable loop; work 1 double crochet; work 1 chain and 1 double crochet three times, for a total of 5 spokes. Mark the center spoke with a locking stitch marker. Tighten the adjustable ring. Turn.
1. Work a beginning edge increase, chain one, work a double crochet into the next double crochet, chain 1. Work a corner increase into the marked double crochet. Chain one, work a double crochet into the next double crochet, chain 1. Work 1 ending edge increase in last stitch.
2. Mesh row: Work a beginning edge increase, chain one. Work a double crochet into the next double crochet, chain 1 and repeat for each plain double crochet. Work a corner increase into the marked center double crochet. Work a chain, and a double into each double crochet. End row by working 1 dc, 1 ch, 1 dc in third chain of the turning chain from previous row.
3. - 25. Repeat row three (22) times
26. Solid row: Work a beginning edge increase as usual; work a double crochet in every chain and double crochet of the previous row, until the center stitch, where a corner increase is placed; continue working dc in every ch and dc of previous row. Finish with and ending edge increase.
27. - 28 Solid rows worked like row 26.
29. Work a mesh row like row 3.
- 30 & 31 Work two solid rows.
32. Work a mesh row like row 3.
33. Work one solid row.
- 34-36 Three mesh rows.
37. 3-dc blocks row: Beginning edge increase; dc in chain, dc in dc, ch1, skip one; \*dc in each of next dc,ch,dc, ch 1 skip 1. Repeat from \* to center
38. Mesh row
39. Sawtooth border: \*ch 4, dc in next ch, hdc in next dc, sc in next ch, sl st in dc. Repeat from \* along both short sides.

Finish by working in all ends, then washing and drying; a tumble drier will steam-block your shawl if you take the shawl out soon after the cycle is complete and give it a good shake from each short side to open up the mesh. I put my shawls in with a load of clothes in both washer & drier.
